Attached is an invitation to Jack Pfeiffer to speak to a group of specialists at NSA. The D/OC checked the organization out and has told me that it is an official body, sanctioned by NSA and fully cleared. Would you be in touch with [redacted] to arrange for you to speak to the organization on the subject of the Agency's efforts in the declassification world. Once you have set up a time, please be in touch with [redacted] Public Affairs, who runs the Agency's speakers' bureau and is in charge of keeping tabs on who is speaking to outside groups.

Jack:

Regarding the request you received from [REDACTED] Chairman, Special Interest Group for Cryptologic History at NSA, I asked the Director/OC to look into the organization and to be in touch with them regarding just exactly what was wanted in the way of presentation by an Agency representative. As you had perceived, they are really interested in how the Agency is going about its declassification effort rather than the history of the Agency as such, hence, I am asking [REDACTED] to be in touch with Mr. Nolte to arrange for his appearance at a later meeting of the association.
